I have read and understand...

- This is a renewal form only. I may use it only if I applied for aid during the 2011-2012 academic year: Fall 2011 and/or Spring 2012 Semester.
- Any and all requested verification documentation must be submitted and complete before receiving aid. If my file is incomplete, I must pay my fees by the published deadline and will be reimbursed if I am eligible.
- If my application is date stamped as received after the deadline of APRIL 6, 2012, it will no longer be considered priority and will be processed on a first-come basis. Also, if my application is received after the priority date, I must be prepared to pay my fees by the published deadline and will be reimbursed if I am eligible.
- If I fail to pre-register for at least half-time enrollment (6 hours for undergraduates and 5 hours for graduates), I may not be eligible for certain types of financial aid including loans.
- I must complete at least six hours during the term in order to remain eligible for my student loan. If I drop or withdraw below six hours, I will immediately pay back all loan funds I have received.
- The amount of aid I may receive will be based on my remaining eligibility, financial need, and the number of hours and terms for which I enroll.
- Any federal and/or state financial aid awarded to me is contingent upon maintaining Satisfactory Academic Progress (SAP).
- **I must notify the Office of Student Financial Aid of any adjustments to the number of hours for which I pre-registered, and I understand my original award may be adjusted accordingly.**
- No loan, Direct Stafford or Direct PLUS, will be processed after July 1, 2012.
