

PARTICIPANT COMMENTS

Students:

...I absolutely loved my experience in the program and I will never forget it.

...It was definitely not a waste of my summer but a joy.

...I really loved everything and I wish it was longer.

... Those two weeks were probably the most rewarding two weeks of my life.

...This opportunity was definitely the opportunity of a lifetime. It helped me a lot more than just academically, but also my social skills too.

...I would definitely do it again.

...Overall it was a great summer program and I would like to thank everyone who made it possible.

...I was entertained the entire time.

...When I arrived, I was nervous about being away from home but thanks to you and everyone involved and the experiences that I had while I was there, I am now confident that going away to college will not be a problem.

...Thank you so much for providing such a wonderful experience for me and for all of the other participants!

...I found the program extremely rewarding and well run.

Teacher Comments:

...I think it was a fantastic learning experience.

...The program was great! I would highly recommend this program for teachers in the future.

...Thank you for the wonderful opportunity!

...I had a great time and will recommend it to anyone who is a mathematics, science or technology teacher.

...I would definitely suggest the program for other teachers and students

...I thought everything was very well planned and carried out.

...I enjoyed the program immensely and I will be recommending it to students and teachers at my school.

...the experience was one of the greatest one of my career.

...Wonderfully planned program.
