iPod Tour

Welcome to North Georgia College & State University! We are thrilled that you have chosen to visit our campus today!
Please flip the map over and refer to the easy-to-read instructions, and enjoy your tour!

iPod Tour

Thank you, again, for visiting campus today! Please don't forget to take an Undergraduate Viewbook. Inside, you will find an Application for admission, as well as detailed information about North Georgia's history, academic departments, financial aid, our student population, and much more! Also, you will find our contact information, which is located on the back of the Viewbook. Please feel free to contact us if you have additional questions upon returning home.

Instructions

Under "Music" and "Playlists," you will find a playlist titled "Campus Tour." This playlist has the buildings in the correct order for your tour. Between each clip, you should pause the iPod to allow you enough time to walk to the next building. Your tour will begin at #1- Price Memorial Hall.

The map (on the other side) was designed especially for this tour. As a guide, the buildings have been numbered and directional arrows have been placed in the order that you will view them. You are more than welcome to enter any open buildings while on the tour; however, please be aware that the academic buildings on campus may house classrooms, with classes in session.

Once your tour is complete, please return the iPod to the Office of Undergraduate Admissions, located in Price Memorial Hall. If you have questions or would like to see the North Georgia video, please ask to speak with an admissions representative.

Exciting news!! North Georgia will have two new residence halls for students enrolling in the Fall 2010 semester! Also, a new Parking Deck will open for Fall 2010! In addition, our new Dining Hall will open in the Fall 2011 semester! Ask an admissions representative to show you rendered drawings of these new additions!
